Split Peach

*by Rafeeq O. McGiveron
 (05/14/08)*

Velvet split peach,
 so juicy,
 overripe,
 liquid and fragrant
 in the soft, sighing night,

a plucked-open fruit-bowl
 to wallow within
 as slippery nectars
 smear lips, nose, and chin

and sticky-soft flesh
 slides 'neath a tongue
 wordlessly writhing
 in worshipful song.

What other night-treat
 could satisfy like this?

Ah, love --
 to devour thee is bliss!
